Our analysis of **Best Pest Control** identified **1 critical issue** that may be impacting your online visibility and lead generation.

Audit Results

Area	Status	Finding
Mobile Performance	N/A	Score: None/100 — None first paint
Privacy Compliance	CRITICAL	No privacy policy found — potential FDBR violation
AI Readiness	GOOD	Site has chat, booking, and structured data

Critical Finding: Privacy Compliance

■ **FDBR Non-Compliance Risk**

Florida's Digital Bill of Rights (FDBR), effective July 2024, requires businesses to maintain a clear, accessible privacy policy that discloses how consumer data is collected, used, and shared. Our scan of <http://www.bestpestcfl.com/> did not find a compliant privacy policy page.

Potential Risk: Businesses found in violation may face fines of up to **\$50,000 per incident** and loss of consumer trust.

Our Offer: As a local business courtesy, we will implement a fully compliant FDBR privacy policy for Best Pest Control at **no charge**. This typically takes less than 24 hours and requires no action from your team.

Recommended Next Steps

Based on this audit, here's what we recommend for Best Pest Control:

1. Privacy Policy (FREE): Let us implement a compliant FDBR privacy policy — no cost, no obligation.
